**Summary:** Put 3 goats in the cabin and watch the magic unfold.

**Number of staff required:** 2

**Props/Materials/Costumes:**

3 goats

Grass/hay (or bottles if baby goats are still on them)

Goatherder costume (robes, crook/staff)

**Prep done:**

Gather goats, get in costume

**Execution:**

Put goats in the cabin and then put some tasty grass or hay near to sleeping campers on their sleeping bags (make sure none of them are allergic to grass first!) so the goats will eat that grass and wake up the campers!
