

Flight Attendant

Summary: Flight attendant prepares passengers for a crash landing. They all roll out onto a life raft.

Number of staff required: 1-2

Props/Materials/Costumes:

- Flight attendant costume and hat
- Mattress
- Radio optional
- A hero to bang the outside of the cabin.
- Life vests

Prep done:

Collect costume and props

Place mattress outside of cabin

Execution:

Enter the cabin warn the campers that you have hit some turbulence and you will be preparing for a crash landing.

Do the safety talk indicating where the exits are

Hand out life jackets and have them put them on.

Inform them to take the brace position

Start falling round the cabin / HERO bangs on outside of cabin.

Get the campers to exit the cabin rolling on the mattress. Use the cabin slide/ trap door if possible.
