Number of staff required: 1

Props/Materials/Costumes:

Ribbon or string, paper, kalimba (or other musical instrument), costume (optional—can be anything)

Prep done:

Prep mobiles

Grab instrument, put on costume

Execution:

Used a piece of ribbon or string and attached slips of paper that had positive sayings on them like: You're wonderful! Thanks for your smile! Yes! Make today great! Breathe deep and let today sing! Stuff like that. I hung them above their beds so they would see them first thing. Then played the kalimba to gently wake them.
