

# Parris Miller

Hello! My name is Parris Miller and I'd love for you to learn more about my story and why I am so excited to join the Camp Augusta Family!

# LOST:

Name: Parris Miller

Answers to: P, P-dawg, Pear, Perry

From: Columbus Oh

If found please send to: **MANZI VILLAGE**

Am I really lost?? No, but this is a little bit about me pre-Augusta! Thanks for taking the time to get to know me!

Hello! I'm Parris from Columbus Ohio! I am a crazy brain nerd that lives in the mountainous, dangerous region of central Ohio. Just kidding, Ohio is just about as mountainy as a piece of paper, BUT I really enjoy spending time hiking, climbing and living in the outdoors. I am one of 4 siblings, and my love of the outdoors started when I was younger and spent my time imagining, dreaming, and creating with my two brothers and one sister. Together we would battle pirates, have tea with royalty, revolt against monsters, and create and imagine until we were called inside for dinner. Growing up with so many imaginative minds, I learned early on how important it is to laugh with those around you. I laughed all my way through high school, and now when I am not adventuring in the mountains, I spend my time studying neuroscience at The Ohio State University. I just finished my second year at OSU, and I love learning about such a complex and beautiful part of what makes us unique. Besides learning and hiking, I enjoy slacklining, reading, playing cards, and watching Disney movies. I hope to imagine and dream my way into being a pediatrician, but we will see where the wind takes me 😊. I stumbled onto camp Augusta's website, and now I get to spend time with some awesome people all summer!

My favorite place on Earth: Mt. Bourgeau near Banff, CA

Help me! I'm falling!!

# Found!!

I am now halfway through my undergraduate career, and I am really excited to get outdoors and breathe a little bit. I spent a lot of time brainstorming what I was going to do to make myself happy, I realized that I am my best self when I get to laugh, play, and hang out with kids. I am excited to spend time getting to know so many different campers and sharing my passions for rock climbing, high ropes, archery, and anything outdoors! I love watching other people succeed, and that is why I am so excited to spend some time belaying on the rock wall. I am looking forward to spending time laughing, talking, hugging, and singing with so many amazing people!

I have spent much of my life knowing that one day I want to work with children, and I have finally realized that I don't have to wait until I graduate med school in order to fulfil that dream of mine. Growing up, I lived off of skinned knees, stubbed toes, muddy feet and grass stained clothes, and this attitude has driven me to invest 100% in whatever I set my mind to, and I am so excited to spend my summer with people who feel the same way. I love running until my legs are tired, laughing until my stomach hurts, and smiling until my smile can't get any bigger. I'm really excited to spend the nights filled with giggles in a cabin of girls, and the days swinging from ropes high up in the trees. I am so much looking forward to all of the love that I will give and receive by hanging out with the Manzi village! When you see me, come up and give me a big hug! There is nothing better than a big bear hug from a friend!

I'm not much of a dancer, but sometimes my brother can convince me into it.

I'm the tiny speck on the rocks! This is one of my favorite outdoor climbs!

I love making people smile, especially my little brother 😊

I love adventuring, especially near water!

# More fun facts and pictures!

A few of my favorite adventures!

Ohio States Mascot Brutus!

Fun facts:

- I wear one contact!
- I hate eating peas
- I can solve a Rubik's cube!
- My name is spelled with 2 R's (my bio wasn't a typo!)
- I used to play lacrosse and field hockey
- I love snowboarding
- I play the ukulele
- I love slacklining
- I love rock climbing
- I have a cute kitty named Shadow

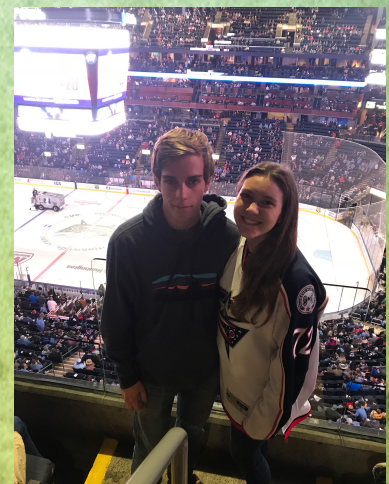

I love cycling with my friends from high school, each summer we ride to raise money for cancer research!

One of my favorite sports is Christmas tree sledding (especially when my sister wipes out in the process)

Me, my parents, and my sister ☺

I love hockey!  
Go Jackets!
