

# Camp Augusta: Master of Fun & Games

Magickeer extraordinaire wanted with a passion for making wish, wonder and surprise a reality. Responsibilities include designing and organizing intricate evening programs (magical worlds) and daily Playstations (Augusta's version of camper's choice). The limits of what the MF&G can accomplish have yet to be seen! This role requires heaping amounts of creativity, people and group management skills, and an organizational and critical mind. The MF&G will occasionally teach activities and may even get to be a cabin counselor at times throughout the summer.

## MFG Skills

- Lives, breathes, and dreams in the world of limitless play; constantly coming up with new and thrilling ideas for bringing wish, wonder, and surprise to the camp community
- A tactical genius, able to bring intensely strong organizational and delegation skills to the world of camp-wide games throughout the summer
- Oriented to developing efficient, effective processes while bringing an eye for detail to every endeavor
- Open, caring, patient, and flexible when working with a variety of people. Builds skyscrapers from a diverse set of ideas with visionary adeptness
- Love for working with and teaching children in a safe, fun, and intentional manner
- Willingness to engage with the rest of the camp community to offer fun, memorable experiences even beyond the realm of the MFG (story experiences, special wake-ups, cabin activities)

## MFG Tasks

- Develops and implements an elaborate evening program for most nights of the week during the summer
- Works with all staff to run a one-hour themed programming session (Playstation) each day with activities unique from the general programming
- Oversees the writing, selling, execution, and recording of all staff story experiences, seeking to engage both staff and campers in a fun and organized manner
- Designs and facilitates weekend programming with the Program Director and Puppet Master - this is unique each year
- Organizes a wide collection of resources that support MFG programming while inviting other community members to use and return these resources thoughtfully
- Handles verbal and written communication regarding staff involvement in MFG programming
- Takes ownership for consistent program improvement through implementation of feedback
