Money	Mirrors/Glass
(use store account)	iPhones
	iPads

Camp is an opportunity for children to develop their sense of self-care and personal responsibility. Please review the list of things you are sending with your camper so they know what clothing and personal items are to return home. Remember that your camper's belongings can get lost or misplaced; therefore refrain from sending anything of significant value or considerable sentimental worth. Also, labeling items works wonders as once things are found during the session we know who to get it back to.

Luggage needs to be compact and easy to carry - duffels are great. **All medications (prescription, over the counter, vitamins and herbals-in original containers)** will be given to the staff at the bus (for bus campers) or the nurse upon check-in, so please leave them easily accessible.

Achieving the social objectives we set forth for our campers requires the creation of a particular camp and social community. Things such as MP3 players, games, cell phones, and many common magazines work directly against these objectives, and hamper the experience and social growth of all of our campers. Taking the time to sit down with your camper and go through their gear a day or so prior to camp can give you the opportunity to discuss how they are feeling about their time away from home, address any anxieties or questions they may be having, and gain a good idea of exactly what they are bringing to camp (you'd be surprised at some of the things that show up).

There is a limited amount of space on the bus, and in the cabins. Please don't pack excessive amounts of clothes.

Thank you for helping make Camp Augusta a great place for all of our campers!
