Points of note:

For most of the above plans you **MUST** purchase the tuition coverage plan *within a max of 20 days* from your initial deposit payment. Be sure to double check your individual plan for this specific window.

*All plans, including those with **Cancel for Any Reason (CFAR)**, apply **ONLY IF** a parent chooses not to send their child to camp. If Camp chooses not to run or is not permitted to operate, the insurance **WILL NOT** cover the tuition.

Due to the uncertainty of COVID and any potential Air Quality concerns in the summer, we strongly recommend purchasing a plan that includes **Cancel for Any Reason (CFAR).
