

Packing List and Guidelines

For two-week campers, **laundry service** is available. Please see *Parent Handbook* note about **laundry** under the store section.

We strongly suggest **writing your camper's name** or initials on all items.

Please see *Guidelines* on second page.

See Guidelines Below

Guidelines

Campers need to come to camp prepared for participating in physical activity, keeping warm during the evenings and cool during the days, and with enough clothes to remain clean, healthy, and happy campers. Please send appropriate clothing with your camper, taking into consideration the weather and camp activities. We encourage you to send old clothing, as your camper will be camping out, climbing, and hiking through the woods.

2021 COVID-19 EXTRA

Campers are required to bring 4-5 washable masks & a mesh bag labeled with their name for washing

Shirts - As it is very warm during the summer, it is acceptable for everyone to wear shorts and shirts, however, any shirts or shorts that show a lot of skin/bras/sports bras/lace style bras/any underwear would be seen as not camp appropriate.

We recommend t-shirts for comfort, however, due to the heat, it is acceptable to wear a crop/shorter style top if the camper can lift their arms up without showing bras/breasts or a bare midriff (no higher than the belly button). A small knot in a shirt if it is too hot is acceptable if the camper is showing a small amount of skin.

'Bro-tanks' or any tank top with large cut out sides that show bras/chests/nipples/a lot of skin would not be appropriate unless ample coverage is worn underneath such as another shirt or tank top.

Shorts/Bottoms - Any style shorts (sports/denim/jean etc.) are appropriate if they cover the whole butt (i.e., no cheeks hanging out and no underwear showing), as campers will be wearing harnesses, sitting on wooden surfaces, running, slipping, sliding, etc. A situation can become uncomfortable, painful and possibly embarrassing for themselves or others if ample coverage of the buttocks and upper thighs is not given.

Leggings must be thick enough that they are not see through

Swimwear - Swimming shorts/trunks and full one-piece bathing suits are recommended for swimming and any water based activities and the oatmeal fight.

Bikinis and brief style swimming shorts are appropriate providing that campers bring a t-shirt to wear for any activity not in the water (Water EPs, Oatmeal Fight, Cabin Acts, Embers, Yuba Trips, etc.).

Swimwear that has a cut out style (bikinis or swimsuits) or thong like style bikini bottoms are not deemed camp appropriate. A towel can be worn instead of a shirt from the lake or activity area if going directly to the cabin or bath house to change back into clothes.

Make-up - Camp is a place for campers to be who they want to be, express who they are as a person and without a focus on what we look like. We therefore ask that campers avoid bringing make-up with them. It can also add a lot of time to the busy bathroom schedules.

Sleeping bag ratings - Please make sure your sleeping bag is rated to at least 10 degrees below the predicted nighttime low.

Other

We include things such as **backpacking and fishing** gear on the list for campers who may have their own equipment that is special to them. Camp has all of the gear they will need, so please don't buy optional items just because they appear on the list. We have a limited number of boots in a limited number of sizes for horseback riding as well, but if campers have any shoes with a small heel (1/2-1 inch), they should definitely bring them. We also have **mountain bikes** at camp. Camp's mountain bike program is an instructional progression based on technical aspects of a typical mountain bike. In an effort to standardize this program and provide a more cohesive learning experience, we have our own bicycles.

There is a **laundry service** for 2 week sessions if campers do not want to bring enough clothes for the whole session. In that case, please add \$20 to the camp store (more info in "Parent Handbook") to cover the laundry service that we hire. Pack for 8 days and we'll have their clothes laundered after the first week.

Camp is an opportunity for children to develop their sense of self-care and personal responsibility. Please review the list of things you are sending with your camper so they know what clothing and personal items are to return home. Remember that your camper's belongings can get lost or misplaced; therefore, please refrain from sending anything of significant value or considerable sentimental worth.

Luggage needs to be compact and easy to carry – duffels are great as there is limited space on the bus.

All medications (prescription, OTC, vitamins and herbals-in **ORIGINAL** containers) will be given to the staff at the bus or the nurse during check-in if you are driving, so please leave them easily accessible.

Please review and respect the "PLEASE DO NOT Bring" list. Achieving the social objectives we set forth for our campers requires the creation of a particular camp and social community. Things such as MP3 players, games, cell phones, and many common magazines work directly against these objectives, and hamper the experience and social growth of all of our campers. Taking the time to sit down with your camper and go through their gear a day or so prior to camp can give you the opportunity to discuss how they are feeling about their time away from home, address any anxieties or questions they may be having, and gain a good idea of exactly what they are bringing to camp (you'd be surprised at some of the things that show up)!

Thank you for helping make Camp Augusta a great place for all of our campers!
