

Trip Insurance Resources

For the uncertainty of COVID and any potential Air Quality concerns in the summer. Make sure to research each plan and read the fine print! This page is a resource and may not cover every plan.

Most plans DO cover:

Trip Cancellation by the family
Trip Cancellation due to contracting a sickness (including COVID) prior to arrival at camp

We Recommend

Choose a plan with
Cancel For Any Reason (CFAR)

When Can I Cancel?

With **Cancel for Any Reason (CFAR)** you can cancel up to **TWO days prior** to the start of the session

Augusta will continuously update families of the weather or AQI conditions prior to the session

Program Protector Safe Travels Voyager

Or research other plans using:
Trawick International
TavMark
Square Mouth

Most plans DO NOT cover:

Cancellation by the program (Camp Augusta) before or during the session, even due to:

- AQI (air quality) evacuation
- A non-mandatory evacuation by camp due to a regional fire or smoke from that fire
- COVID-19 or another communicable disease

Cancellation by Augusta is only covered under extreme circumstances (such as a fire or other Natural Disaster AT camp)

Let us know

If you purchase an insurance plan, check the box when completing your camper's Registration Form

Payment Deadline

You **MUST** purchase the trip coverage plan within a maximum of **20 days** from your first payment/initial deposit to be eligible for a plan with **CFAR**

Camp Augusta does not receive any financial incentive from any trip insurance company. The information we have provided here is for reference only.

TLDR...What do I need to Know?

Trip Insurance is helpful if...

- Your camper contracts COVID before the start of the session and camp cannot fill your spot
- You read that it's going to be 100 degrees the weekend of your family camp and you decide it's too hot for your family
- A family emergency means your camper cannot attend and camp is unable to fill their spot
- You read our emails letting you know the AQI is going to be VERY bad during your session and you don't feel comfortable attending or having your camper attend

With any circumstance, you **MUST** purchase a plan with **Cancel for Any Reason** in order to cancel at least **TWO days prior** to the start of your program!

Trip Insurance is NOT helpful if...

Augusta cancels or has to cancel during the session/family camp for:

- Bad AQI
- A non-mandatory fire evacuation
- A COVID outbreak
- Camp cancelling for a non-Natural Disaster

Essentially, if Augusta cancels camp.

Augusta updates families with weather and AQI predictions. If you have purchased a plan with **CFAR**, you are eligible to submit a claim as long as it's **TWO days PRIOR** to the start of the program & Augusta has not yet cancelled.
