

# School Group Insurance Documentation for Camp Augusta

## Augusta's Certificate to be on the School's Insurance

We need an insurance doc from each school group that runs here saying that we are ADDITIONALLY INSURED on their insurance.

If you (the school group) have been here previously, then feel free to email the correspondent or [office@campaugusta.org](mailto:office@campaugusta.org) to ask for the previous year's if that would be of help.

You will need to connect with your insurance company (or the person who works with them) to get us listed, and then to share that form with us. It needs to have Camp Augusta as the Certificate holder.

Snapshot from the bottom of an insurance form:
